Text Advertising

For Text ads, you can either choose a banner placement, and I will customize your text to fit that spot or you can submit an article or modify an existing article.

Submitting an Article

If you would like to create an article for the page to include your ad, it must be approved by HotGamerGirls.com, and will contain a disclaimer at the top with something to the effect of: “This Article was not written by HotGamerGirls.com” (This will not count as a line of the article)

The article if more than 10 lines will contain a break, after the 10th line and will have a button that says “read more” and the page visitor will need to click read more to read the rest of the article.

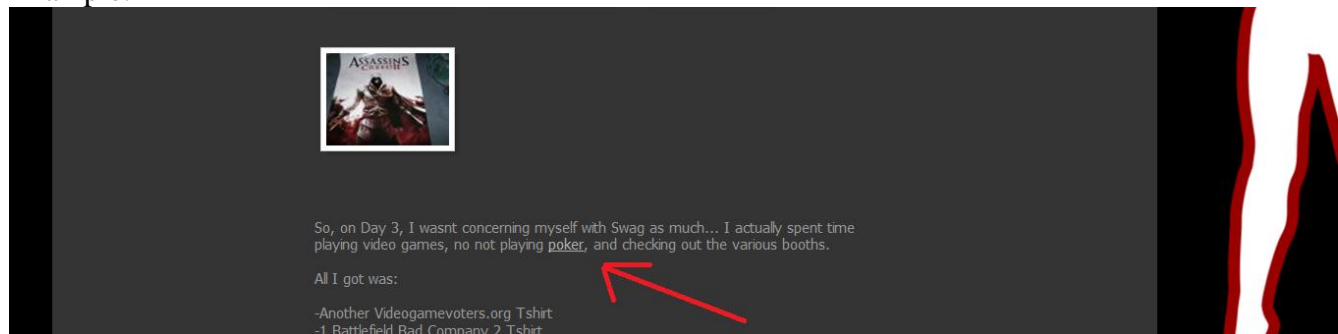

The Article will remain on the front page for the time paid for, after which time the ad may be deleted. Article position is not guaranteed, and will move further down the page as new articles are written.

Article		
Months	Cost Per Month	Total Cost
Month to Month	\$35	\$35.00 X Months
6	\$30	\$180.00
12	\$25	\$300.00

Modifying a current Article

You may modify a current article written by a member of HotGamerGirls.com (not an article written by another advertiser) In this instance you may modify not more than 10 words in an existing article, and may include a hyperlink to your requested page. The Hyperlink may not be more than 3 words long. The link will follow the article, and there is no guarantee if it is on the front page that it will remain there.

Example:

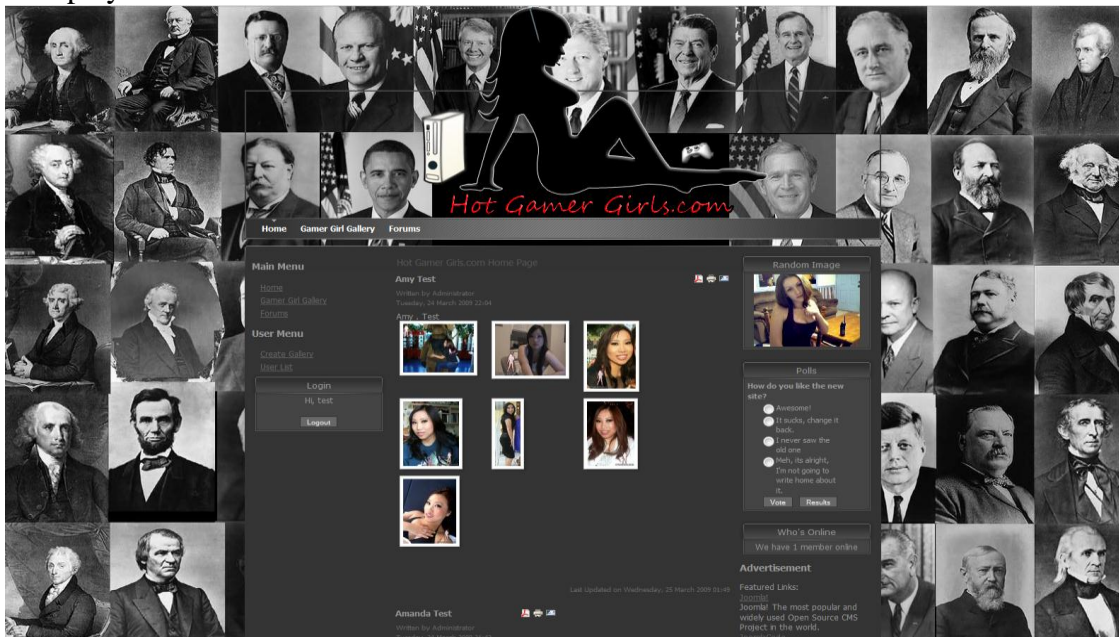

The Price will be \$200 flat, and the ad will remain for at least 24 Months, and may remain indefinitely.
